Presentation: Jason Miller from the Plain Township Fire Department in New Albany, OH will give a presentation of the mobile GIS application he developed for use in fire department vehicles. The application (MECCMap) is based on ESRI's ArcReader, and Jason will explain some of the advantages and disadvantages of using this platform, as well as explain some of the technical details of incorporating data from multiple counties into one application. Jason is an 18 year veteran of the fire service and enjoys computer programming in his (limited) spare time.

- IV. Other Business
- V. Next Meeting – March 25th@ **Ohio Department of Transportation, Central Office**
- VI. Adjourn
