1. Welcome and Introductions

- a. Welcome and introductions were conducted by Vance Cerasini, OGRIP Forum Vice-Chair
- b. Approximately 28 people were present.

2. Acceptance of Minutes

- a. The April 2012 minutes were accepted with a motion passed by all present at the meeting.

3. Business

a. OGRIP Initiatives:

- i. Nancy von Meyer's cadastral data model is FGCD requirement compliant. Now is the time to give suggestions for Ohio-specific suggestions. Jeff will get a template of the data model for next meeting. Jeff will be meeting with the Ohio Auditor's Association next month and will present the parcel data model.
- ii. Darlene asked Jeff if URISA can help. Possibly summarizing compilations & other miscellaneous stuff.
- iii. Shoreh suggested that a pilot project be considered. Jeff stated that AOGDP will run a pilot. Shoreh wants to stay posted on the progress of the pilot. Jeff will try to get something ready for the Ohio GIS conference.

b. GIS User Group Updates

- i. Ohio/Michigan – No report.
 - ii. SWOGIS – Mark Yandrick: SWOGIS will have meeting next Friday (May 25). Next month's meeting will be Tuesday June 14.
 - iii. Greater Cincinnati GIS – No report.
 - iv. GUONO – No report.
 - v. Central Ohio User Group - Vance reports next meeting to be June 6.
 - vi. Appalachian Ohio Geospatial Data Partnership – Jason Gillow reports that they recently met in Marietta, wrapping up their kickoff. Next month, they will be meeting in Athens. They received their first grant. The second grant will be used for data discovery and inventory. Part of the plan includes developing a list of surveyors in each county.
 - vii. GIS for Strategic Asset Management – No report.
 - viii. OVRDC – Jason Gillow reports that Ed Brown will be talking about Google Earth Builder and LBRS next August 14.
 - ix. Buckeye Hills – No report.
- c. 2012 County Profiles – A reminder to everyone to please update their 2012 GIS profile online and get in the pink.
 - d. Ohio URISA Update – Darlene reported that the land records workshop was the biggest workshop ever. Thanks everybody. The vice chair had a lot to do with the success of the workshop. We need nominees for vice-chair.
 - e. Ohio GIS Conference Update – Darlene reported that registration has opened and it will end on August 31st. Scott Snider encourages people to volunteer. He also passed out a sign-in sheet for moderator volunteers. Jeff said that the website has the new conference info on it. Looks like a lot of varied content.

4. Presentation

- a. Brandon Brown, GIS Administrator for the City of Dublin, presented a mobile application created for the Memorial Tournament. Brandon shared some of the lessons they learned and

talked about how they are modernizing some of their field collection and presentation techniques including their use of geodatabase attachments and ArcGIS for iOS and Android.
