

**MINUTES  
OGRIP Forum  
Monthly Meeting  
June 25, 2012**

1:00 p.m. - 2:00 p.m.

ODOT Headquarters, 1980 W. Broad Street, Rm GA, Columbus, OH 43223

**1. Welcome and Introductions**

- a. Welcome and introductions were conducted by Emily Whitehead, OGRIP Forum Chair
- b. Approximately 28 people were present.

**2. Acceptance of May Minutes**

- a. The May 2012 minutes will be voted on at the July Forum meeting.

**3. Business**

a. OGRIP Initiatives:

i. LBRS

1. Hocking County data is currently being reviewed by the State. After this data is accepted:

- a. Seventy (72) Counties have data accepted.

ii. OSIP II

1. No update since the last report. The buy-up initiative is moving forward. Hope to start quality review of the data by end of Summer.

b. GIS User Group Updates

- i. Ohio/Michigan – Leitha reported via email that the next meeting is June 26<sup>th</sup> from 12:00–4:00 pm at 1800 Indian Wood Cir # 1, Maumee, OH 43537. There will be ESRI videos on: Geocoding, Python Scripting and Model Builder. There will also be 2 presentations given by Michael Moore, intern at Fulton County GIS Department: 1) County Addressing and the USPS County Project and 2) Creating Two Map Books using ESRI's Data Driven Maps.
- ii. SWOGIS – Mark reported that SWOGIS had seventeen (17) presentations for their educational series last week.
- iii. Greater Cincinnati GIS – Emily reported that the last meeting was Thursday, June 21<sup>st</sup> with ESRI presenting about 10.1. The next meeting will need to be re-scheduled because it is conflicting with the Ohio GIS Conference.
- iv. GUONO – No report.
- v. Central Ohio User Group – Cheri reported that the user group met a couple of weeks ago. Brandon Brown provided a presentation regarding ArcGIS Online.
- vi. Appalachian Ohio Geospatial Data Partnership (AOGDP) – Per the user group's website, the next meeting is Thursday, August 2, 2012 at 9:00am at Washington State Community College (WSCC). The Voinovich School, with assistance from the Buckeye Hills-Hocking Valley Development District, is conducting research to help Washington State Community College (WSCC) develop a GIS program(s) to meet the workforce and economic development needs in WSCC's service area.
- vii. GIS for Strategic Asset Management – Fred reported that the last meeting consisted of the following presentations: Maintenance Operations' Key Role in Hydraulic Infrastructure Asset Management - Minnesota DOT; MS4 Data Collection at West Virginia DOT; Intergraph using GeoMedia Smart Client for Asset Management; and Culvert Survey Summary. The next meeting is scheduled for August 30<sup>th</sup>.
- viii. OVRDC – Jason reported the next meeting is August 14, 2012 from 1:00 p.m. to 3:00 p.m. (New Location) at the OSU Endeavor Center, Room 165 office in Piketon, Ohio. Jessica Spain with ESRI will present "ESRI ArcGIS 10.1 and ArcGIS Online".
- ix. Buckeye Hills – See the AOGDP report above.

- c. 2012 County Profiles – A reminder to everyone to please update their 2012 GIS profile online. The server name has been updated so please email Larry Hellmer for the latest website link.
- d. Ohio URISA Update – Darlene reported that Ohio URISA passed our conference budget today. There is a mentoring program in development and we elected a new Vice Chair, Bret Allphin. Thanks to Scott Snider for years of service to the Board.
- e. Ohio GIS Conference Update – Darlene reported that we are looking for lightening round presenters for 5 minutes or less. We also need moderators for the conference presentations.

**4. Presentation**

- a. Fred Judson, GIS Coordinator, will present on Utilizing Unmanned Aircraft Systems for Remote Sensing Operations at the Ohio Department of Transportation, District 2.

**5. Other Business**

- a. None recorded.

**6. Next Meeting**

- a. The next OGRIP Forum meeting is July 30, 2012 at ODOT.

**7. Adjourn**

- a. Emily motioned to adjourn the meeting.
  - 1<sup>st</sup> Motion = Vance Cerasini
  - 2<sup>nd</sup> Motion = Scott SniderMotion passed by all present at meeting.
