b. GIS User Group Updates

i. Ohio/Michigan - no report

ii. SWOGIS - The FORUM was informed that the agenda for the year will be set very soon.

iii. Ohio/KI/Cincinnati - no report

iv. GUONO - no report

v. Central Ohio User's Group - The last meeting was February 6th. They have been having guest hosts. Everything is good.

vi. Appalachian Ohio Geospatial Partnership - The next meeting is Feb. 28th. They are working on the non-profit application. They are also finalizing GIS projects with others in the County. They completed work tasks for worksite and developed a flex data. If you wish to see what data sets every county in country has the website to go to is BHGIS.org/inventory. Also, ten minutes after the Forum meeting the NHD/Stewardship Hydrography Data Set Meeting will take place. This involves stewardship in Ohio and who would like to be involved.

vii. GIS for Strategic Asset Management - Fred Judson informed us that the last meeting was attended by 55 people. They are currently looking for a new venue which holds more people. They had excellent presentations from Assets/Integration, Cleveland Metro Parks Assets, Asset Inoperability from one software to another and query group. The next quarterly webinar will focus on Lighting Data. The past webinar and survey data is available for viewing. Please let Fred know if you are interested in attending the quarterly webinar.

- viii. OVRDC - Jason Gillow was on the phone and informed everyone that the next meeting will be May 14th, 2013 at the Pike County Government Center. The last meeting had very good attendance.
- ix. Buckeye Hills - no report.
- c. 2012 County Profiles - No report.
- d. Ohio URISA Update - Donovan Powers from ODNR told everyone that the venue for the Ohio county Commissioners yearly conference has changed to the Marriot NW in Dublin, Ohio and will be held on Sept. 11 - 13th, 2013.

Presentation - Jason Miller from Plain Township Fire Department attended the meeting and explained and demonstrated his MECC Map system which is located and used in the emergency equipment in Plain Township. The software searches against address points in Franklin, Fairfield, Delaware and Licking Counties.

IV. Other Business

- a. It brought in front of the FORUM to change the URISA meetings from 1:00-2:00 p.m. and the OGRIP Forum Meetings from 2:00 - 3:00 p.m. There was a motion from Donovan Powers, and it was seconded by Darlene Magold-Scott. No one was opposed and the motion was passed.
- b. It was proposed by Bridget Simpson, with the NHD Stewardship/Ohio Hydro Council, to hold an informal lunchtime networking session at 12:00 noon prior to the 1:00 p.m. URISA meeting start time in the same room for those who would like to spend time having informal discussions. This is scheduled to begin with the March 25th, 2013 meeting.
