

OGRIP Forum Minutes
June 27, 2011
Department of Transportation
Rm GB 1:00 pm

I. Welcome & Introductions

- a. Welcome and introductions were conducted by Fred Judson, OGRIP Forum Chair
- b. Approximately 35 people were present

II. Motion to accept minutes was passed. Meeting minutes (please send meeting note corrections to Traylene.hines@oit.ohio.gov)

III. Business

a. Jeff Smith provided updates on the following OGRIP initiatives:

- i. OSIP II- There is currently 75 participants in this program. Several meetings are scheduled to get others on board. Ashtabula is being reviewed and Sandusky has been approved.

b. GIS User group updates

- i. Northwest Ohio and Michigan GIS User Group – No update.
- ii. SWOGIS-It was reported that Jennifer Weiser is recuperating from a recent sickness. Jennifer has played a significant role within SWOGIS and we would like to wish her well with a card for everyone to sign. The SWOGIS user group will hold a meeting on September 28th (the Wednesday before the Ohio GIS conference). A 3-day ESRI class is being considered. There is a minimum of 12 participants needed to take advantage of a cost reduction. Contact Patricia Moehring if you are interested and an update on the status of this class will be provided. <http://www.swogis.org>.
- iii. Ohio/KI/Cincinnati- Please visit the website for more information. <http://www.cincygis.com/default.htm>.
- iv. GUONO- (<http://www.lakecountyohio.gov/Default.aspx?alias=www.lakecountyohio.gov/guono>).

- c. **2011 County Profiles**-Patricia Moehring suggested contacting your County GIS contact to update their county information and get out of the blue. If there is no change to your profile, just save your current information and the system will indicate a new date. The County map Patricia provides is based on information obtained between August, 2010 to present.
 - d. **URISA Update**-There was approximately 30 attendees who attended the mobile GIS event. There will be no other attendants due to URISA and the Ohio GIS Conferences. URISA elected officers are; Darlene Scott, Chair, Donovan Powers, Vice Chair, Emily Whitehead, Secretary and Matt Shade, Treasurer. If you have any questions regarding URISA, please send an email to chair@urisa.org.
- IV. Ohio GIS Conference Update**-Registration is online at <http://ogrip.oit.ohio.gov/Events/OhioGISConference.aspx>. More volunteers are needed and if interested contact Patricia Moehring. Those whose abstracts that have been accepted, please fill out your biography information and it will be posted for public view (click on submit abstract, log on then edit profile). For more information regarding the conference, please contact Darlene at Darlene.Scott@stantec.com
- V. Presentation**-Brian Wopershall
GIS Applications Manager at Cleveland Enterprise GIS
- Cleveland Water's GIS: 2011 Program Update**
- The Cleveland Water Division (CWD) provides service to over 400,000 customers in Northeast Ohio. Over the past several years, GIS has become a core technology at CWD for providing accurate information, tracking work, and automating data analysis, especially for the Engineering and Distribution & Maintenance departments. This presentation will cover the development of our datasets, the business procedures that have been put in place, and an overview of our web and mobile applications.
- VI. Other Business** – Fred Judson asked the forum to submit presentation proposals to him by e-mail at fred.judson@dot.state.oh.us.
- VII. OGRIP Forum Meeting Dates** –July 25th, August 29th, No meeting in September, October 31st, November 28th, No meeting in December
- VIII. Adjourn** – A motion to adjourn was made and passed.
